The Anime Club is open to all NPMS students. We will meet once a week on Fridays. Students should be picked up in the front office parking lot. Dismissal time will vary, but will usually be between 4:30-5:00 P.M. If a student does not have a ride home, they should not attend the meeting. Please indicate how your student will be getting home after the meetings.

We will be using Remind to send text messages or emails the day before our club meetings. We will be including the name of the movie or series in our Remind messages. You can sign up for the reminder at [remind.com/join/anime931](https://remind.com/join/anime931) OR text the message @anime931 to the number 81010.

Some anime films and television series are rated G, however the majority of the ones readily available are rated PG, PG-13, TV-14 or have not been rated by the Motion Picture Association of America (MPAA). Please keep in mind that many of the anime films and television series contain the same type of action and violence as seen in movies such as The Dark Knight Rises, which has an MPAA rating of PG-13.
